

PERSONAL EXPENSE TRACKER APPLICATION

Raveen A, Raguram G P, Sandhiya K, Oviya D

PROBLEM STATEMENT:

A specially trained professional is needed to ensure that accounting is done properly. There can be many disadvantages of using a manual accounting system. For any individual, an accounting system requires you to understand the accounting process in a way that may be unnecessary with a computerized accounting system. This can be an advantage or a disadvantage, depending on the person doing the account management.
